# 1915(i) Legislative Update

# Who is eligible for 1915(i)?

- Ages 0+
- Enrolled in Medicaid or Medicaid Expansion
- Household income at or below 150% of Federal Poverty Level
- Meets HCBS Settings Rule
- Qualifying behavioral health diagnosis
- WHODAS 2.0\* score of 25+

# What did the new amendment change?

- Lower minimum WHODAS score requirement from 50 to 25
- Clarify qualifications for WHODAS Administrators
- Update qualifying diagnosis list to reflect present language, include additional diagnoses, and to provide a crosswalk between the ICD-10 and DSM-5 diagnoses
- Enhance process, provider tools and guidance for HCBS Settings Rule compliance determination
- Clarify Group and Individual Provider qualifications for Respite

# What did the new amendment change? (cont.)

- Allow for submission of an EHR printout in lieu of diagnosing physician's signature for diagnosis verification on application
- Allow for submission of a WHODAS Assessment printout from a Human Service Center in lieu of designated 1915(i) Score Sheet for WHODAS score verification on application
- Expand on Group Provider qualification options for providers of Supported Employment, Supported Education, and Pre-Vocational Training
- Update language related to reimbursement rate increases
